FROM EXAM NOTICE TO READY FILES.

One guided route. The examination sets the rules.
You stay in control of every file.

THE EXAM IS THE STARTING POINT.

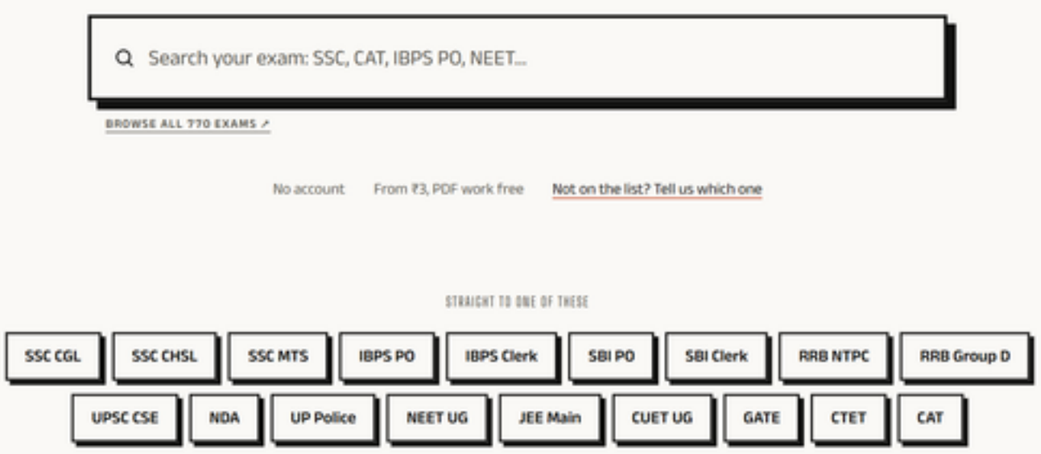

Not a generic resize preset.

FIND THE EXAM. START WITH ITS RULES.

Search by name or short form.
The selected examination configures everything that follows.

YOU PREPARE FOR THE EXAM. WE'LL PREPARE THE FILES.

Your photograph, signature, thumb impression, declaration and certificates. Each one made to the rules your examination published.

WHAT CHANGES WITH THE EXAM

files requested · dimensions · KB · format · filename

KNOW WHAT WE PREPARE. KNOW WHAT THE PORTAL KEEPS.

Every requested file is listed before you upload.
Portal-only steps stay clearly outside the kit.

WE PREPARE

- Signature
- Certificate

YOU COMPLETE IN THE PORTAL

- Live photo
- Identity input
- Online declaration

KEEP ONLY WHAT YOUR FORM NEEDS.

Required and optional files stay distinct.
Your selection and price update together.

WHATSAPP SENDS A REMINDER LINK — NOT THE FILES

THE RULES STAY VISIBLE.
THE LIMITS DO TOO.

Privacy, source markers and portal boundaries are part of the product.
The official examination portal remains the final authority.

RULES

Published source,
or an estimate marker.

IDENTITY

No generated face or outfit.
No whitening or reshaping.

PRIVACY

No account. Uploads are not
used to train models.

RETENTION

Deleted within 30 minutes;
up to one hour if requested.

BOUNDARY

Live capture and portal-only
steps stay with the portal.

GUIDANCE

Review the result and the
exam instructions before upload.
